

Coach Dave Love Clinic Hosting Requirements

Thank you for your interest in hosting a Shooting Refinement Clinic with NBA Shooting Coach Dave Love. This promises to be a once-in-a-lifetime experience for you players to learn from one of the best shooting coaches in the world.

To ensure the best possible outcome for all, please take the time to ensure the following measures are possible before requesting to host. It is better to spend a few minutes researching before requesting a clinic, rather than having to cancel an event.

Hosting Requirements:

- **Able to provide a gym with minimum 6 rims (functioning, with nets). More space and more hoops are even better.**
- **An email mailing list (preferred) to spread word regarding clinic**
 - **Please don't rely solely on social media. Getting the word DIRECTLY to the parents is key in promotion. Do not rely on players to pass information to the parents.**
- **Confirmation from other coaches in the area/school that they will also support and promote the clinic.**
- **4 Coaches at the event to act as assistant coaches.**

Guarantees:

- **Coach Love will provide an email and brochure that can be circulated to potential attendees.**
- **Coach Love will handle all registration and take payments on his website.**
- **Coach Love will book and pay for his own travel to the event only when 20 players have signed up for the event.**
- **Host will guarantee 30 participants (or will top up payment to that amount should 30 participants not be reached)**
 - **It is not Coach Love's goal to take money OUT of your program. In fact, he would like to put money INTO your program, so please ensure the clinic will be supported before booking. If you are a school, speak to the other coaches at the school and agree to make the event as "mandatory" as possible. If you are a club or association with a mailing list of over 300 members (Ages 11+) I would be confident we can sell the clinic out. Don't be afraid to email your members to ask if they would be interested before booking.**
- **Host will receive 10% of the revenue of clinic if 40+ players attend, and 20% of revenue if the clinic sells out (typically 48 participants, assuming the gym has 6 hoops)**

Cost for clinics per participant:

\$125 – One day (6hr) Clinic.

\$199 – Two day (12hr) Clinic.
